NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF PARK COMMISSIONERS OF THE COLLINSVILLE AREA RECREATION DISTRICT, IN MADISON AND ST. CLAIR COUNTIES, ILLINOIS, as follows:

Section 1. Authority and Purpose. This ordinance is adopted pursuant to the Constitution and laws of the State of Illinois, including the Park District Code (Section 1205/1-1 *et seq.* of Chapter 70 of the Illinois Compiled Statutes), and particularly Section 6-4 thereof, as supplemented and amended, including by the Registered Bond Act, the Illinois Bond Replacement Act, the Bond Authorization Act and the Local Government Debt Reform Act, for the purpose of financing the Project and refunding certain of the Prior Obligations.

Section 2. Authorization and Terms of Bonds. To finance the Project and to refund certain of the Park District’s Prior Obligations: General Obligation (Limited Tax) Debt Certificates, Series 2002 (also the “**2002 Obligations**”), there is hereby appropriated the sum of

up to \$1,500,000, to be derived from the proceeds of the issue of bonds authorized by this ordinance.

(a) **General.** For the purpose of financing such appropriation, general obligation park bonds of the Park District shall be issued and sold in an aggregate principal amount of not to exceed \$1,500,000, shall each be designated “**General Obligation Refunding Park Bond, Series 2007**”, and shall be issuable in the denominations of \$5,000 each or any authorized integral multiple thereof. The bonds shall be numbered consecutively from 1 upwards in order of their issuance and may bear such identifying numbers or letters as shall be useful to facilitate the registration, transfer and exchange of the bonds. As shall be specified in an order to authenticate the bonds, each bond shall be dated November 1, 2007, or thereafter and as of or before the date of the issuance thereof as the purchaser or purchasers of such bonds agrees or accepts, but if interest due on any bond shall not have been paid in full, then notwithstanding any of the foregoing provisions, such bond shall be dated as of the last date to which interest has been paid in full on such bond. The bonds shall bear interest at not to exceed the rate percent per annum set forth below and shall mature in not to exceed the principal amount on October 15 of the year, as follows:

<u>Year</u>	<u>Principal Amount(\$)</u>	<u>Interest Rate (%)</u>
2008	1,500,000	7.00

Each bond shall bear interest from its date, or from the most recent interest payment date to which interest has been paid, computed on the basis of a 360-day year consisting of twelve 30-day months, and payable in lawful money of the United States of America on October 15, 2008 at the rate percent per annum herein set forth. The principal of and premium, if any, on the bonds shall be payable in lawful money of the United States of America upon presentation and surrender thereof at the principal office of the designated Paying Agent for the bonds (including its successors, the “**Paying Agent**”). Interest on the bonds shall be payable on each interest payment date to the registered owners of record appearing on the registration books maintained by the designated Registrar on behalf of the Park District for such purpose (including its successors, the “**Registrar**”), at the principal office of the Registrar as of the close of business on the last day (whether or not a business day) of the calendar month next preceding the applicable interest payment date. Interest on the bonds shall be paid by check or draft of the Paying Agent mailed to such registered owners at their addresses appearing on the registration books.

The Registrar shall not be required to transfer or exchange any bond during the period from the last day of the calendar month next preceding each interest payment and ending on such interest date.

(b) **Redemption.** The bonds shall not be subject to call for optional redemption prior to maturity unless otherwise specified in a Bond Order. The bonds shall be subject to mandatory sinking fund redemption at the times, in the manner and with the effect set forth in the

form thereof in Section 8 to the extent a Bond Order specifies such redemption, if at all, and not otherwise. The Registrar shall give the notices in connection with the redemption of the bonds.

(c) **Bond Order.** Although the bonds are authorized to mature or come due in the principal amount in each year, to bear interest at the rate or rates percent per annum, and to have such other terms and provisions as set forth in this ordinance, including as to principal amount (not to exceed \$1,500,000) optional and/or mandatory redemption and designation of fiscal agents, the bonds are nevertheless hereby authorized to mature or come due in the principal amount in each year, to bear interest at such lawfully authorized lower rate or rates and to have such other terms and provisions, including as to final principal amount, denomination, the final maturity or maturities and interest rates, optional and/or mandatory redemption, credit facility, payment dates, an offering document, maturities of the Prior Obligations to be refunded or otherwise paid and provision for a related escrow or depository agreement, designation of the Purchaser or an underwriter and the Registrar and Paying Agent, all as the President or Treasurer or Executive Director shall certify in the order to the Registrar to authenticate and deliver the bonds (such order to constitute a “**Bond Order**”). For purposes of the foregoing and otherwise in this ordinance, the term “**Bond Order**” shall mean a certificate signed by the President or Treasurer or Executive Director, and attested by the Secretary and under the seal of the Issuer, setting forth and specifying details of and incidental to the Bonds. Such maturities, lower rate or rates and other terms and provisions as may be so certified in the Bond Order are hereby specifically authorized and approved without any further action or approval by the Board other than as set forth in this ordinance. The form for the bonds shall be conformed to any Bond Order.

(d) **Further Actions.** The Board hereby authorize the officials of the Park District responsible for issuing the bonds, the same being the President, Secretary, Treasurer, Executive Director and Attorney, to take all such actions and to make such further filings, covenants, certifications and supplemental agreements as may be desirable or necessary (i) to assure that the use of the Prior Project, the Project and the bonds and related proceeds will not cause the bonds or the Prior Obligations to be private activity bonds, arbitrage bonds or hedge bonds and to assure that the interest on the bonds and the Prior Obligations will be excluded from gross income for federal income tax purposes and (ii) to give full effect to this ordinance.

Section 3. Bond Sale. The sale of the bonds to the Purchaser, at the price, plus accrued interest, if any, as set forth in the Bond Purchase Agreement (not less than 98.0% of par, plus accrued interest) is hereby approved. The President, Secretary, Executive Director and other officials of the Park District are hereby authorized and directed to do and perform, or cause to be done or performed for or on behalf of the Park District, each and every thing necessary for the issuance and sale of the bonds, including the execution, delivery and performance of the Bond Purchase Agreement. An offering document related to the bonds is hereby authorized as specified in a Bond Order.

The bonds are an issue over \$1,000,000 in principal amount and may be subject to continuing disclosure under Rule 15c2-12 of the Securities and Exchange Commission. Therefore, the Issuer, as necessary, will enter into an “**undertaking**” under such Rule 15c2-12 to provide certain ongoing financial operating and other information as required by such Rule 15c2-

12. A continuing disclosure certificate and agreement (as applicable, the “**Disclosure Agreement**”) for such purpose is authorized, as the case may be.

Section 4. Execution and Authentication. Each bond shall be executed in the name of the Park District by the manual or authorized facsimile signature of its President and Secretary and the corporate seal of the Park District, if any, or a facsimile thereof, shall be thereunto affixed or otherwise reproduced thereon and attested and countersigned by the manual or authorized facsimile signatures of its Secretary and countersigned by its Treasurer.

In case any officer whose signature, or a facsimile of whose signature, shall appear on any bond shall cease to hold such office before the issuance of such bond, such bond shall nevertheless be valid and sufficient for all purposes, the same as if the person whose signature, or a facsimile thereof, appears on such bond had not ceased to hold such office. Any bond may be signed, sealed or attested on behalf of the Park District by any person who, on the date of such act, shall hold the proper office, notwithstanding that at the date of such bond such person may not hold such office. No recourse shall be had for the payment of any bonds against the President, Secretary, Treasurer or any member of the Board of Park Commissioners or any officer or employee of the Park District (past, present or future) who executes the bonds, or on any other basis.

Each bond shall bear thereon a certificate of authentication executed manually by the Registrar. No bond shall be entitled to any right or benefit under this ordinance or shall be valid or obligatory of any purpose until such certificate of authentication shall have been duly executed by the Registrar.

Section 5. Transfer, Registration and Book Entry. The bonds shall be negotiable, subject to the provisions for registration of transfer contained herein and related to book-entry-only registration.

(a) General This subsection (a) is subject to the provisions of subsection (b) concerning book-entry only provisions. The Park District shall cause books (the “**Bond Register**”) for the registration and for the transfer of the bonds as provided in this resolution to be kept at the principal office of the Registrar, which is hereby constituted and appointed the Registrar for the Park District. The Park District is authorized to prepare, and the Registrar shall keep custody of, multiple bond blanks executed by the Park District for use in the issuance from time to time of the bonds and in the transfer and exchange of bonds.

Upon surrender for transfer of any bond at the designated principal office of the Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Registrar and duly executed by the registered owner or such owner’s attorney duly authorized in writing, the Park District shall execute and the Registrar shall authenticate, date and deliver in the name of the transferee or transferees a new fully registered bond or bonds of the same series and maturity of authorized denominations, for a like aggregate principal amount. Any fully registered bond or bonds may be exchanged at the principal corporate trust office of the Registrar for a like aggregate principal amount of bond or bonds of the same series and maturity of other authorized denominations. The execution by the Park

District of any fully registered bond shall constitute full and due authorization of such bond, and the Registrar shall thereby be authorized to authenticate, date and deliver such bond.

The Registrar shall not be required to transfer or exchange any bond during the period from the last day of the calendar month next preceding any interest payment date on such bond and ending on such interest payment date.

The person in whose name any bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of, premium (if any) or interest on any bond shall be made only to or upon the order of the registered owner thereof or such registered owner's legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of bonds, but the Park District or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of bonds exchanged in the case of the issuance of a bond or bonds for the outstanding portion of a bond surrendered for redemption.

(b) Book-Entry-Only Provisions. Unless otherwise specified in a Bond Order, the bonds shall be issued in the form of a separate single fully registered bond for each of the maturities of the bonds. Upon initial issuance, the ownership of each such bond shall be registered in the Register therefor in a street name (presently expected to be "**Cede & Co.**" for DTC) of The Depository Trust Company ("**DTC**"), New York, New York (including any successor securities depository, the "**Depository**"), or any authorized successor thereto, as nominee of the Depository. The outstanding bonds from time to time may be registered in the Register in a street name, as nominee of the Depository. If not already effected, the President or Secretary is each authorized to execute and deliver on behalf of the Park District such letters to or agreements with the Depository as shall be necessary to effectuate such book-entry system (any such letter or agreement being referred to herein as the "**Representation Letter**"). Without limiting the generality of the authority given to the President or Secretary with respect to entering into such Representation Letter, it may contain provisions relating to **(a)** payment procedures, **(b)** transfers of the bonds or of beneficial interest therein, **(c)** redemption notices and procedures unique to the Depository, **(d)** additional notices or communications, and **(e)** amendment from time to time to conform with changing customs and practices with respect to securities industry transfer and payment practices.

With respect to bonds registered in the Register in the name of a nominee of the Depository, the Park District and the Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a "**Depository Participant**") or to any person on behalf of whom such a Depository Participant holds an interest in the bonds (an "**Indirect Participant**" or "**Beneficial Owner**", as the case may be). Without limiting the meaning of the foregoing, the Park District and the Registrar shall have no responsibility or obligation with respect to **(a)** the accuracy of the

records of the Depository, the nominee, or any Depository Participant, Indirect Participant or Beneficial Owner with respect to any ownership interest in the bonds, (b) the delivery to any Depository Participant or any other person, other than a registered owner of a bond as shown in the Register, of any notice with respect to the bonds, including any notice of redemption, or (c) the payment to any Depository Participant, Indirect Participant, Beneficial Owner or any other person, other than a registered owner of a bond as shown in the Register, of any amount with respect to principal of or interest on the Bonds.

As long as the bonds are held in a book-entry-only system, no person other than the nominee of the Depository, or any authorized successor thereto, as nominee for the Depository, shall receive a bond certificate with respect to any bonds. Upon delivery by the Depository to the Registrar of written notice to the effect that the Depository has determined to substitute a new nominee in place of the prior nominee, and subject to the provisions hereof with respect to the payment of interest to the registered owners of bonds at the close of business on the fifteenth (15th) day (whether or not a business day) of the calendar month next preceding the applicable interest payment date, the reference herein to nominee in this resolution shall refer to such new nominee of the Depository.

In the event that (a) the Park District determines that the Depository is incapable of discharging its responsibilities described herein and in the Representation Letter, (b) the agreement between the Park District and the Depository evidenced by the Representation Letter shall be terminated for any reason or (c) the Park District determines that it is in the best interests of the beneficial owners of the bonds that they be able to obtain certificated bonds, the Park District shall notify the Depository (and, to the extent known by the Park District, the Depository Participants) of the availability of bond certificates, and the bonds shall no longer be restricted to being registered in the Register in the name of a nominee of the Depository. At that time, the Park District may determine that the bonds shall be registered in the name of and deposited with a successor depository operating a book-entry system, as may be acceptable to the Park District, or such depository's agent or designee, and if the Park District does not select such alternate book-entry system, then the bonds may be registered in whatever name or names registered owners of bonds transferring or exchanging bonds shall designate, in accordance with the provisions hereof. Notwithstanding any other provision of this ordinance to the contrary, so long as any bond is registered in the name of a nominee of the Depository, all payments with respect to principal of and interest on such bond and all notices with respect to such bond shall be made and given, respectively, in the manner provided in the Representation Letter.

Section 6. Registrar and Paying Agent. The Park District covenants that it shall at all times retain a Registrar and Paying Agent with respect to the bonds and shall cause to be maintained at the office of such Registrar a place where bonds may be presented for registration of transfer or exchange, that it will maintain at the designated office of the Paying Agent a place where bonds may be presented for payment, that it shall require that the Registrar maintain proper registration books and that it shall require the Registrar and Paying Agent to perform the other duties and obligations imposed upon them by this ordinance in a manner consistent with the standards, customs and practices of the municipal securities business. The Park District may enter into appropriate agreements with the Registrar and Paying Agent in connection with the foregoing.

Unless otherwise specified in a Bond Order, the Park District's Treasurer shall act as Bond Registrar and Paying Agent.

(a) The Registrar and Paying Agent shall signify their acceptances of the duties and obligations imposed upon them by this ordinance. The Registrar by executing the certificate of authentication on any bond shall be deemed to have certified to the Park District that it has all requisite power to accept, and has accepted, such duties and obligations not only with respect to the bond so authenticated but with respect to all the bonds, including with respect to acting as Paying Agent, and the payment function in subsection (c) below. The Registrar and Paying Agent are the agents of the Park District for such purposes and shall not be liable in connection with the performance of their respective duties except for their own negligence or default. The Registrar shall, however, be responsible for any representation in its certificate of authentication on the bonds.

(b) The Park District may remove the Registrar or Paying Agent at any time. In case at any time the Registrar or Paying Agent shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Registrar, or of its property, shall be appointed, or if any public officer shall take charge or control of the Registrar or Paying Agent or of their respective properties or affairs, the Park District covenants and agrees that it will thereupon appoint a successor Registrar or Paying Agent, as the case may be. The Park District shall mail or cause to be mailed notice of any such appointment made by it to each registered owner of bonds within twenty (20) days after such appointment. Other than the Park District's Treasurer, any Registrar or Paying Agent appointed under the provisions of this Section shall be a bank, trust company, national banking association or other qualified professional with respect to such matters, maintaining its principal office in the State of Illinois.

(c) The Park District's Treasurer or other designated agent shall hold the cash or investments for the current debt service payments on the Prior Obligations as herein provided and shall transfer such cash or investments or receipts from such investments to the paying agent or agents for the Prior Obligations to timely pay such debt service. Such Treasurer or other agent shall withdraw and apply such funds or investments to such debt service without any further authority than this ordinance. The Park District is authorized to enter into an escrow agreement or a deposit agreement in this connection.

Section 7. General Obligations. The full faith and credit of the Park District are hereby irrevocably pledged to the punctual payment of the principal of and interest on the bonds. The bonds shall be direct and general obligations of the Park District, and the Park District shall be obligated to levy ad valorem taxes upon all the taxable property in the Park District for the payment of the bonds and the interest thereon, without limitation as to rate or amount.

Section 8. Form of Bonds. The bonds shall be issued as fully registered bonds conforming to the industry customs and practices of printing (unless the Purchaser accepts typewritten bonds), the blanks [CUSIPs optional] to be appropriately completed when the bonds are printed, and with appropriate insertions and deletions shall be in substantially the form as follows:

The Registrar shall not be required to exchange or transfer any bond during the period from the last day of the calendar month preceding any interest payment date to such interest payment date. The Park District or the Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to the transfer or exchange of this bond. No other charge shall be made for the privilege of making such transfer or exchange. The Park District and the Registrar may treat and consider the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal, premium, if any, and interest due hereon and for all other purposes whatsoever and all such payments so made to such registered owner or upon such Registered Owner's order shall be valid and effectual to satisfy and discharge the liability upon this bond to the extent of the sum or sums so paid, and neither the Park District nor the Registrar, or the Paying Agent shall be affected by any notice to the contrary.

The Park District has designated the bonds as "**qualified tax-exempt obligations**" under Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

It is hereby certified, recited and declared that all acts, conditions and things required to be done, exist and be performed precedent to and in the issuance of this bond in order to make it a legal, valid and binding obligation of the Park District have been done, exist and have been performed in regular and due time, form and manner as required by law, and that the series of bonds of which this bond is one, together with all other indebtedness of the Park District is within every debt or other limit prescribed by law.

<u>For The Year</u>	<u>A Tax Sufficient to Produce the Sum of (\$):</u>
2007	1,582,500 for interest and principal

Interest or principal coming due at any time when there shall be insufficient funds on hand to pay the same shall be paid promptly when due from current funds on hand in advance of the collection of the taxes herein levied; and when such taxes shall have been collected, reimbursement shall be made to such fund or funds from which such advance was made in the amounts thus advanced.

Section 10. Debt Service Fund. Moneys derived from taxes herein levied are appropriated and set aside for the sole purpose of paying principal of and interest on the bonds when and as the same come due. All of such moneys, and all other moneys to be used for the payment of the principal of and interest on the bonds, shall be deposited in the “**Debt Service Fund of 2007**” which is hereby established as a special fund of the Park District and shall be administered as a bona fide debt service fund under the Internal Revenue Code of 1986, as amended. All accrued interest, if any, received upon the issuance of the bonds shall be deposited in the Debt Service Fund of 2007 and applied to pay interest on the bonds through such date.

Section 11. Bond Proceeds Fund. All of the proceeds of sale of the bonds, exclusive of accrued interest and exclusive of amounts and investments deposited with and held by the Park District’s Treasurer or other agent to pay certain debt service on the Prior Obligations as herein provided shall be deposited in the “**Bond Proceeds Fund of 2007**”, which is hereby established as a special fund of the Park District, within which there shall be a “**Project Account**” for Bond proceeds to pay issuance costs and a “**Refunding Account**” for Bond

proceeds to pay for refunding the Prior Obligations. Moneys in the Bond Proceeds Fund of 2007 shall be used for, and are hereby appropriated for, the purposes specified in Section 1 of this ordinance and for the payment of Project costs and costs of issuance of the bonds, but may hereafter be reappropriated and used for other lawful purposes. Before any such reappropriation shall be made, there shall be filed with the Secretary an opinion of Evans, Froehlich, Beth & Chamley, Champaign, Illinois, or other nationally recognized bond counsel (collectively, "**Bond Counsel**"), to the effect that such reappropriation is authorized and will not adversely affect the tax-exempt status of the bonds under Section 103 of the Internal Revenue Code of 1986, as amended.

Section 12. Exception From Arbitrage Rebate. The Park District does not now reasonably expect to issue more than \$5,000,000 of tax-exempt obligations in the year of the issuance of the bonds within the meaning of the small issuer exception under Section 148(f)(4)(D) of the Internal Revenue Code of 1986, as amended. However, as Bond Counsel may advise as necessary to preserve the tax-exempt status of the bonds, the Park District hereby covenants and agrees to comply with the rebate requirements of Section 148(f) of the Internal Revenue Code of 1986, as amended, and to execute an applicable arbitrage regulation agreement, covering, among other things, arbitrage rebate under such Section 148(f).

Section 13. Investment Regulations. No investment shall be made of any moneys in the Debt Service Fund of 2007 or the Bond Proceeds Fund of 2007 except in accordance with the tax covenants set forth in Section 14 of this ordinance. All income derived from such investments in respect of moneys or securities in any Fund shall be credited in each case to the Fund in which such moneys or securities are held.

Any moneys in any Fund that are subject to investment yield restrictions may be invested in United States Treasury Securities, State and Local Government Series, pursuant to the regulations of the United States Treasury Department, Bureau of Public Debt. The Park District's Treasurer and agents designated by such officer are hereby authorized to submit, on behalf of the Park District, subscriptions for such United States Treasury Securities and to request redemption of such United States Treasury Securities.

Section 14. Tax Covenants. The Park District shall not take, or omit to take, any action lawful and within its power to take, which action or omission would cause interest on any bond to become subject to federal income taxes in addition to federal income taxes to which interest on such bond is subject on the date of original issuance thereof.

The Park District shall not permit any of the proceeds of the bonds, or any facilities financed with such proceeds, to be used in any manner that would cause any bond to constitute a "**private activity bond**", "**arbitrage bond**" or "**hedge bond**" within the meaning of Sections 141, 148 or 149(g) of the Internal Revenue Code of 1986, as amended.

The Park District shall comply with the provisions of Section 148(f) of the Internal Revenue Code of 1986 relating to yield reduction payments and/or the rebate of certain investment earnings at periodic intervals to the United States of America to the extent that such compliance is necessary to preserve the exclusion from gross income for federal income tax

purposes of interest on the bonds under Section 103 of the Internal Revenue Code of 1986, as amended.

Section 15. Bank Qualified Bonds. Pursuant to Section 265(b)(3) of the Internal Revenue Code of 1986, as amended, the Park District hereby designates the bonds as “**qualified tax-exempt obligations**” as defined in Section 265(b)(3) of the Internal Revenue Code of 1986, as amended. The Park District represents that the reasonably anticipated amount of tax-exempt obligations that will be issued by the Park District and all subordinate entities of the Park District during the calendar year in which the bonds are issued will not exceed \$10,000,000 within the meaning of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended. The Park District covenants that in any event it will not so designate and issue more than \$10,000,000 aggregate principal amount of tax-exempt obligations in such calendar year. For purposes of this Section 15, the term “**tax-exempt obligations**” includes “**qualified 501(c)(3) bonds**” (as defined in the Section 145 of the Internal Revenue Code of 1986, as amended) but does not include other “**private activity bonds**” (as defined in Section 141 of the Internal Revenue Code of 1986, as amended).

Section 16. Ordinance to Constitute a Contract. The provisions of this ordinance shall constitute a contract between the Park District and the registered owners of the bonds. Any pledge made in this ordinance and the provisions, covenants and agreements herein set forth to be performed by or on behalf of the Park District shall be for the equal benefit, protection and security of the registered owners of any and all of the bonds. All of the bonds, regardless of the time or times of their issuance, shall be of equal rank without preference, priority or distinction of any of the bonds over any other thereof except as expressly provided in or pursuant to this ordinance. This ordinance shall constitute full authority for the issuance of the bonds, and to the extent that the provisions of this ordinance conflict with the provisions of any other ordinance or resolution of the Park District, the provisions of this ordinance shall control. After their issuance the bonds shall be incontestable by the Park District. If any section, paragraph or provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this ordinance.

Section 17. Effective Date. This ordinance shall become effective at the times and in the manner provided by law and upon its becoming effective and prior to or concurrently with the issuance of the bonds herein provided for shall be filed with the County Clerks of Madison and St. Clair Counties, Illinois.
